

Sandtex Alu Oxide Disc

Applications:

Deburring

- Removing exit burrs on machine surfaces
- Removing weld spatter on large welded surfaces
- Removing die cast flash and parting lines

Blending

- Blending mill marks
- Blending tool marks and mismatches
- Blending coarse coated abrasive disc scratch patterns
- Reducing uneven edges

Cleaning

- Removing corrosion
- Removing paints
- Removing coatings
- Removing gaskets and adhesives
- Removing heavy scale and rust
